Offset pull handle

Il maniglione per porte mantiene gli stessi stilemi che hanno reso questa collezione unica nel suo genere, e cioè la forma ellissoidale dell'impugnatura che tende ad avvitarsi su se stessa definendo un comodo appoggio e creando una sorta di invito alla mano.

The pull handle for doors maintains the same stylistic features that made this collection unique, namely the ellipsoidal shape of the handgrip that tends to twist giving it a comfortable support and creating a sort of invitation to the hand.
